About This Game

When I was young is the story of an ordinary American guy who went to the Vietnam war to find his lost in action brother. You have an exciting and risky journey into a world full of deadly dangers, whether it is a painterly jungle or charming city streets.

Help the hero go from a recruit to an experienced marine in search of the truth.

Key features:

- Setting of the Vietnam War
- Exciting storyline
- Original pixel graphics
- Exclusive soundtrack
- Dynamic time changing
- Realistic shooting
- Different types of enemies and traps

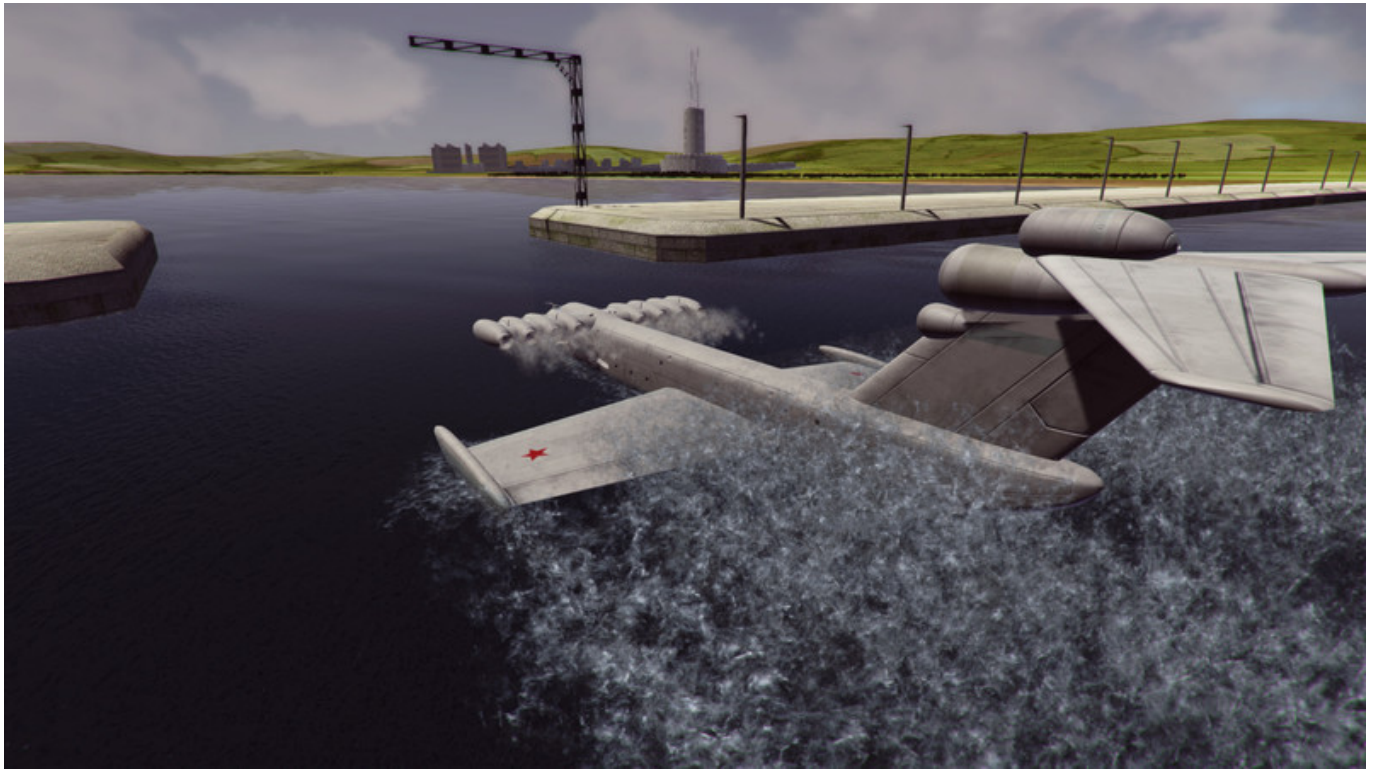

-
- Entourage of the 60s period
 - Full gamepad support
