About This Content

Enjoy an energetic and inspirational soundtrack by composers Manabu Namiki and Masaharu Iwata. Each track is perfectly composed to set the tone of the stage it accompanies - setting out on a journey in the first stage, braving the blistering heat in the third stage, and exploring a wondrous, bioluminescent cave in stage 4.

Includes 19 audio tracks in mp3 and lossless formats. Tracks will be downloaded to your Mushihimesama Steam folder.
